9. **SB2369** **CRIMINAL LAW: Concealed carry of handguns by permit holders on certain property allowed.** Current law generally authorizes an individual, corporation, business entity, government entity or agent thereof to prohibit the possession of weapons by any person who is at a meeting conducted by, or on property owned, operated, or managed or under the control of the individual, corporation, business entity, or government entity by posting signage to provide notice that firearms are prohibited on the premises. This bill creates a second option whereby an individual, corporation, business entity, government entity or agent thereof to restrict the possession of weapons on their premises to the carrying of concealed firearms by handgun carry permit holders. The full text of this bill describes a unique sign that must be posted to restrict the possession of weapons. Specifies that an individual, corporation, business entity, or government entity that, as of January 1, 2018, used signs to provide notice of a prohibition against possession of firearms on the premises will have until January 1, 2019, to replace existing signs with signs that meet the requirements of this bill.
